Collect a sticker (or receipt) every time you spend \$10 or more online or in-person at a historic downtown Centralia restaurant or shop from Feb. 4 - Feb. 14, 2021. Once your passport has five stickers (or you have five receipts), from five different stores, redeem it for your choice of Hub City Love swag: face mask, cap, slate coaster or bumper sticker. After redeeming your passport, get another passport and keep shopping! Every passport returned will be entered to win a prize valued at \$100. More importantly, this is your chance to show your Hub City Love for the Valentine's Day in our downtown stores and restaurants! Note Centralia swag is limited; once an item is gone, your choice will be limited to the remaining items.

Provide your contact information to be eligible to win the grand prize:
